

IT Services & eLearning – Student Information

St. Vincent and the Grenadines Community College (SVGCC)

Welcome to the SVGCC! As a student, you will have access to several online platforms and digital tools that support your learning. Please read the information below carefully and keep it for future reference.

1. College Website

The College's official website provides general information, news, announcements, and links to key student resources.

Website: www.svgcc.vc

2. College Email Service

Each student receives an official **SVGCC email address** once registration is completed.

- Your new **email address and password** will be sent to your **personal email which you used to make your application to the College**.
 - The College uses **Google Apps for Education**, so you will log in through the regular Google sign-in page: mail.google.com
 - Your SVGCC email is **the primary way the College communicates with you**—please check it regularly.
 - This account is also linked to other College systems (e.g. eLearning)
-

3. SVGCC Learning Management System (LMS)

Your lecturers will post course materials, assignments, and other learning resources on the **LMS or eLearning**.

Website: <https://svgcc.tech/elearning-2024-2025/login/index.php>

- You will use your SVGCC student email account to login.
 - More information will be sent to you once you become a registered student.
-

4. Student Portal

The **Student Portal** is where you will access your **grades and academic information** at the end of each semester.

Website: my.svgcc.vc

- Your **login information** will be sent to your **college email** later in the semester.
-
